

HOROSCOPES

Capricorn

December 21- January 19

January: This is your month for love. Tons of people will be at your feet asking for a date. Choose wisely because the one you have desired for a while might have a secret history of breaking hearts. Don't let anyone mess around with your heart. Keep your eyes peeled for people that are reckless with your love and find people that really care about you.

Lucky Days: 15th & 19th
Love Days: 6th & 11th
Bad Days: 1st & 22nd
Best Color: Baby Blue

February: This is your month to shine! Whenever something goes wrong keep a smile on your face! And since it is the new millennium, kick some new trends in! Be unique and don't let other's opinions get in the way of your creativity! Take a study in magazines or other places for some ideas! Dare to wear!

Lucky Days: 11th & 22nd
Love Days: 1st & 19th
Bad Days: 6th & 15th
Best Color: Orange

Aquarius

January 20- February 18

January: There is someone that really cares about you. Keep your eyes open for someone that is acting strangely kind towards you. They could be the person that desires your love. Give them a chance if you find out who that someone is. Don't deny someone their chance because of your reputation, or what others think of that person. Go for it! You may find out that you like them!

Lucky Days: 13th & 26th
Love Days: 3rd & 9th
Bad Days: 12th & 17th
Best Color: Burgundy

February: Feeling bummed? Try to do something to get your mind off of all your worries and stress such as a sport or listening to music. It's time that you take some things off of you plate because your plate is overflowing causing you to be stressed.

Lucky Days: 9th & 12th
Love Days: 17th & 26th
Bad Days: 3rd & 13th
Best Color: Peach

Pisces

February 19- March 20

January: Quit Procrastinating! Stop spending so much time on the phone and with your friends and start doing your studies! If you don't start getting involved with your studies you will fall behind and get a BIG surprise that is not worth getting!

Lucky Days: 7th & 14th
Love Days: 5th & 10th
Bad Days: 16th & 24th
Best Color: Green

February: Do you seem to be having a lot of deja vu lately? Thinking it means something? Sorry to disappoint you, but it really doesn't mean anything. It usually seems that you are having a lot of deja vu when you are day dreaming and staring into space for too long. (Hint, Hint!)

Lucky Days: 5th & 24th
Love Days: 7th & 17th
Bad Days: 10th & 14th
Best Color: White

Aries

March 21- April 19

January: You might have a special talent you don't know of. Start taking time out of your busy schedule to spend time with yourself and find your hidden talent. Try out new things and do daring (but not dangerous) things. You might find your ultimate talent is right under your nose, so keep your eyes wide open!

Lucky Days: 18th & 23rd
Love Days: 2nd & 21st
Bad Days: 8th & 19th
Best Color: Turquoise

February: This month will seem a little too hectic for you. Slow down your schedule a little and maybe consider taking your phone off the hook for a night. Try to make time in your busy schedule to have time for yourself and relax.

Lucky Days: 8th & 21st
Love Days: 19th & 23rd
Bad Days: 2nd & 18th
Best Color: Black

Taurus

April 20- May 20

January: Watch out what you say around your circle of friends. A little word can turn into a big rumor. Even though what you say may be around the people you deeply trust, they might turn on you and hurt you deeply. A little rumor can turn into a big living nightmare.

Lucky Days: 4th & 25th
Love Days: 16th & 24th
Bad Days: 2nd & 3rd
Best Color: Yellow

February: Starting to feel as though you don't know yourself anymore? Does your favorite food taste different now? Don't worry, your just changing. Just start to part away from all that gossip with your friends and start to spend time with yourself. Do things you wouldn't normally do. You may find out that what you hated before, you love now. Give everything a second chance and get to know yourself better.

Lucky days: 2nd & 16th
Love Days: 3rd & 25th
Bad Days: 4th & 24th
Best Color: Red

Gemini

May 21- June 20

January: Calm down! You are bursting with too much energy! It's good that you have a lot of energy, but the people around you may not like this change in you. They might not be able to keep up with you and your energy. Take time to relax and remember that everything doesn't have to be done in one day.

Lucky Days: 13th & 28th
Love Days: 27th & 30th
Bad Days: 1st & 22nd
Best Color: Gold

February: Does a friend seem to be pushing you away this month? you two may just need some time away from each other. Let them confront you first. They will realize that they can't live without your friendship.

Lucky Days: 1st & 30th
Love Days: 13th & 22nd
Bad Days: 27th & 28th
Best Color: Pink

Cancer

June 22- July 23

January: It's the new millennium. Start yourself off with a new look. People will soon follow your style, but keep finding new trends until they can't keep up with you. Don't let other's copy your look. They might wind up taking the credit.

Lucky Days: 20th & 29th
Love Days: 4th & 7th
Bad Days: 10th & 24th
Best Color: Gray

February: Stand up to someone that makes fun of you constantly. Don't let them make fun of you. Don't use violence, though. If they try to use violence on you, let your words be your defense, and tell an adult. Show your bully that you don't care what they say because what they say about you is their problem

Lucky Days: 4th & 10th
Love Days: 20th & 24th
Bad Days: 7th & 29th
Best Color: Navy Blue

Leo

July 24- August 23

January: Thinking someone you bought a gift for doesn't like what you bought them? Don't stress! That person really does like what you got them! Use that extra Christmas money and save it until you really need something!

Lucky Days: 5th & 18th
Love Days: 8th & 22nd
Bad Days: 1 5th & 16th
Best Color: Brown

February: This is your month for success! Everything you do will turn out successful this month, even if it looks bad at first. Success is look is knocking at your front door this month. Take advantage of it because it might not come back for a long time.

Lucky Days: 16th & 22nd
Love Days: 15th & 18th
Bad Days: 5th & 8th
Best Color: Tan

Virgo

August 24- September 23

January: Seem to be knowing what's going to happen before it happens? Feeling like a Psychic? Maybe you are. Start keeping track of what you know is going to happen. If you happen to be a Psychic, keep your power a secret. People that are your enemies could reveal you.

Lucky Days: 2nd & 19th
Love Days: 6th & 12th
Bad Days: 14th & 29th
Best Color: Purple

February: Friends may seem to be changing. They aren't the ones changing, you are! Your style is changing and you are becoming more mature. Take friends seriously and expect the same in return!

Lucky Days: 12th & 14th
Love Days: 2nd & 29th
Bad Days: 6th & 19th
Best Color: Silver

Libra

September 24- October 23

January: You have lost a very important friend. They probably want to be your friend again, but you are just too blind to see that they want to be part of your life again. If you figure out who that person is, think of all the good times you two spent together and forget the bad. You might find out that you need them to be a part of your life again.

Lucky Days: 3rd & 11th
Love Days: 4th & 8th
Bad Days: 13th & 24th
Best Color: Blue

February: This month you will realize why you lost that special friend. Most likely it is because you weren't being the best of friend you could have been to them. Don't worry. If you ask for their forgiveness, they will forgive you in a heartbeat. This time cherish their friendship though, because if you lose them, there's no getting them back.

Lucky Days: 8th & 13th
Love Days: 3rd & 24th
Bad Days: 4th & 11th
Best Color: Mauve

Scorpio

October 24- November 22

January: A certain friend might seem a little left out. Try to pick out that certain friend and repay them by spending more time with them. This should tie your friendship with that someone tighter again. Don't reveal any of the secrets they tell you, because it will punch you back in the face again.

Lucky Days: 6th & 17th
Love Days: 9th & 12th
Bad Days: 1st & 14th
Best Color: Lime

February: This winter surprise someone with a special gift. It doesn't have to necessarily be expensive, but it's the thought that counts. This month something special will come to you and you will be blessed with a special talent. Change your ways and be a little modest. Stop speaking so highly of yourself to make others feel bad for themselves.

Lucky Days: 9th & 14th
Love Days: 1st & 17th
Bad Days: 6th & 12th
Best Color: Rosy Pinks

Sagittarius

November 23- December 21

January: Hey World! Stand back! This month is your powerful month. You have the power to get what you wish and know exactly what you want. Your friends are ultra important right now. So keep them close. Don't take your power for granted though because if you lose it, you'll never get it back.

Lucky Days: 25th & 30th
Love Days: 15th & 26th
Bad Days: 4th & 11th
Best Color: Ivory

February: This month you will notice a change of intelligence in yourself. Take it seriously. This new knowledge will definitely help you around the end of this month, so don't over use it. Use your intelligence wisely and don't take anything for granted.

Lucky Days: 11th & 15th
Love Days: 4th & 30th
Bad Days: 25th & 26th
Best Color: Berry
